Site 23 located in San Leandro supported our recent Special Olympics Icon drive by raising \$1107.00. All the team members stepped up and showed their dedication and were truly behind the effort. The \$1107 raised was the highest total this site has ever raised. Also during last year's Special Olympics summer event in Davis, three team members volunteered their time, worked the events and had a great experience.

Site 74 located in Sacramento raised \$1531.00 towards the Special Olympics recent icon drive. All the team members at 74 were rallying to reach their goals! Over the past three icon drives, site 74 has been one of the top stores in the company for raising funds. Your dedication is greatly appreciated!

Site 74 team members Lorena Williams and Shelly Tolliver are demonstrating to Manager Anup how to smile (keep practicing Anup).

Site 65 located in Rancho Cordova raised \$1384.00 towards the Special Olympics Icon drive. All the team members at site 65 more than doubled their contributions from the last drive in 2009. Team members Marilyn Burke and Michael Watterson raised over \$550 by themselves! Many thanks to the team at site 65 for their dedication & support.
