

THE PIPELINE

Indian Summer Classic

2006 was another great year for our team putting the Special Olympics Golf Tournament together. We have netted over 52,000 dollars after all of the bills have been paid. It was a perfect day for golf, except for the heavy smoke from a nearby forest fire. But hey, folks had a good excuse to blame for their golf shots.

A special thanks to all of the volunteers that put the event together. Great job everyone. With over 50,000 being raised in our cannisters, our icon sales, and the golf tournament we are target to raise over a quarter of a million dollars for Special Olympics this year. Wow....

Partners **Tom, Steve, Walt and David Dwelle** present to Special Olympian **Emily** and VP of Resource Development for Special Olympics **Aubrey Merriman** a check for \$250,000 representing NELLA's year to date fundraising efforts towards Special Olympics.

Jack Rhoades comes up short!

For the first time in 4 years, **Jack Rhoades** and the Dream Team failed to win the golf tournament. Jack missed an important meeting to tune up his game the day before but to no avail. You'll just have to spend a little more money recruiting your team for next year Jack!

Thanks

Thanks to **Steve Speelman**, **Shelly Thomas** and **David Townsend** for all their efforts at coordinating the tournament. They spent many hours before tournament day and behind the scenes to make this event a success.
